

Sustainability Tips for a Greener Salon

Waste

- Compost hair trimmings
(or send them to us and we'll do it for you!)
- Give foils, gloves, electronics and other supplies a Second Life®
- Recycle aerosol cans
- Send in flammable beauty items to be repurposed
- Reduce single-use items
- Properly dispose of chemicals and hazardous waste

Products

- Choose brands that use sustainable packaging
- Use organic, cruelty-free and eco-friendly
- Buy in bulk to reduce packaging waste

Energy

- Install LED or energy saving bulbs
- Invest in energy-efficient hairdryers, straighteners, and other tools
- Get a smart thermostat to control heating and cooling
- Enjoy natural light to save on electricity

Water

- Install low-flow faucets and showerheads
- Regularly check for leaks

Create your **FREE GLO™** account today and start to recycle hair, gloves, foils, color tubes and more at your salon!
